It is a question for consideration whether the orders passed in Fb last declining to continue the personal allce to him on promotion to a higher ~~grade~~ class of the A.C's Grade ~~& which he is eligible for promotion~~ should be reconsidered & any concession shown.

So far as promotion to the 4th class of Asstt Commrs (on 300 Rs) is concerned, Mr Subba Row is reported to have rendered approved service during the last 3 years & is entitled to the promotion from the 18th June 1909.

The reference to the Finance Branch is apparently in regard to the continuance of the personal allowance. Under the general rule for the grant of personal allowances Mr. Subbarami's allowance of Rs 50 shd. cease on the increase of his pay by the same amount. The terms of grant of the allowance in question expressly direct its discontinuance on Mr. Subbarami's promotion to the fourth class of Assistant Commissioners. The continuance of the allowance even after the officer's promotion to the higher classes of his appointment was recommended only a few months back and Govt. in their order of 16.2.09 affirmed their order of 11.3.07 and declined to grant the request. No fresh grounds are now urged to reopen the case closed by the order passed only so lately as February last.

TO

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General & Revenue Departments.

SIR,

I have the honor to submit Mr.K.Subba Rao's letter for favourable consideration and to state that he has put in 3 years approved service from 1st June 1906 to 18th June 1909 in the last grade and to recommend that he may be promoted to the next higher grade from 19th June 1909.

2. I think that his prayer for the continuance of the personal allowance till he reaches the 1st grade is a reasonable one and I beg to strongly recommend it for the sanction of Government. I have already recommended his promotion to a higher grade in my letter No.X dated 27th November 1908. P. Apr 82-0

3. The Government in their Order of 1907 have been pleased to recognise that he had reasonable expectations of being confirmed earlier and it would be only fair to consider from what date such confirmation might have taken place. Mr. Madhava Rao in para 5 of his letter of 12th March 1904 to Gover-ment, has stated that on the 7th January 1900 the late Dewan Sir K.Seshadri Iyer thought him fit for promotion as a permanent Extra Assistant Commissioner and ordered the recommendation to that effect to be placed before the Council; but unfortunately it was only 6 years subsequently that he was actually confirmed. I have the honor to submit Mr.H.Sweet's letter for favourable consideration and to state that he has put in 8 years approved service from 1st June 1900 to 15th June 1909 in the last grade and to recommend that he may be promoted to the next higher grade from 16th June 1909.

2. I think that his prayer for the continuance of the personal allowance till he rejoins the 1st grade is a reasonable one and I beg to strongly recommend it for the sanction of Government. I have already recommended his promotion to a higher grade in my letter No.R dated 27th November 1909.

is so heavy that he has a fair moral claim to have the personal allowance continued as a special case till he reaches the 1st Grade

4. During the past 3 years he has worked to my entire satisfaction and I have recommended him to Government on several occasions. The Exhibition Committee have also placed on record their high opinion of the services rendered by Mr.Subba Rao as Secretary to the Committee. During the last 7 or 8 months his work as Assistant in the Famine Department has also been exceptionally heavy and during this period he has also had to close the Exhibition Account of 1908 and to complete the draft report of the Exhibition of 1908.

5. Looking to his whole career as disclosed by the records of his case and from my own experience of his character, ability and talents and willing devotion to work, I have no hesitation in strongly supporting the case for the favourable orders of Government.

Revenue Commissioner's office,

Bangalore, 18th June 1909.

From

K. Subba Rao Esq. B.A.,

Assistant to the Revenue Commissioner in Mysore.

To

RAJAKARYA PRAVINA

A. Rangaswami Iyengar Esq. B.A., B.L.,

Revenue Commissioner in Mysore, Bangalore.

Sir,

Having put in three years' service in the last grade of Assistant Commissioners, from 18th June 1906 to 18th June 1909, I request that my promotion to the next higher grade from 19th June 1909 may be recommended to Government.

2. In this connection I beg to state that in accordance with Government Order No. R 8254-5/ L R 298-06-4 dated 11th March 1907 and para 2 of Government Order No. R 6276/ Agri 82-08 -2 dated 16th February 1909, the personal allowance of ₹50/- granted to me in the former order of Government will cease on my promotion to thenext higher grade. In other words I will have to draw the same amount as pay instead of as at present in the shape of personal allowance for the next three years.

3. As it will be very hard for me to live on the same pay for the next three years I request that the Government of His Highness the Maharaja may be graciously pleased to order the continuance of the personal allowance till I reach the first grade.

4. So long ago as 1899 I was promoted to the grade of Assistant Commissioners on ₹250 plus 50 and subsequently I was recommended various times for confirmation in that grade by the then Plague Commissioner and in 1900 on the papers relating to the grant of a bonus of ₹15000/- to the Plague Commissioner

(5)

Sir K. Seshadri Iyer approved of my confirmation on ₹250/-. And the Government in their Order of 11th March 1907 are pleased to state that I " was in receipt of a pay of ₹200/- from Oct. 1898 and was appointed a permanent Extra Assistant Commissioner only in June 1906 " and that I " had reasonable expectations of being put into that grade earlier." I beg most humbly to submit that it was not owing to any fault of mine that I had to be on a pay of ₹200/- from October 1898 till June 1906 in spite of my having acted as acting Assistant Commissioner on ₹250/- plus 50 for about five months in 1899. All along during this period as Personal Assistant to the Plague Commissioner as Supernumerary in the Dewan's office, as one specially attached to the first Councillor when he went to the Bombay Presidency to study the details of the Bombay Revenue Administration, as Manager of the Revenue Commissioner's office for a period of four years, since its establishment, when there was only one Assistant attached to this office, I had to do the work of an Assistant Commissioner (namely, drawing up successive Plague Administration Reports, Compiling Dasara questions and replies, drawing up Bombay Tour report, drawing up Revenue Commissioner's office Administration Report, and letters to Government on important subjects etc) though without the pay and the rank . The following emphatic opinions of both of Mr. V.P. Madhava Rao and Mr. Ananda Row the first and the second Revenue Commissioners, I submit, will bear out the above view. Mr. V.P. Madhava Rao in his letter No. A dated 12th March 1904 " before handing over charge of his office as Revenue Commissioner " submitted formally for the kind consideration of His Highness' Government a special recommendation on my behalf and then stated as follows:- " I have on several occasions recommended him for promotion as a permanent Assistant Commissioner. I have a high opinion of his ability and ~~the~~ integrity of character and I am sorry that owing to adverse circumstances his advancement in the service has not been as satisfactory as his merits and services deserve. " Mr. T. Ananda Row before handing over charge of the office as

(6)

Revenue Commissioner on 25th April 1906 recorded as follows in my Service Register:- " The general intelligence and high charac ter which Mr. Subba Rao has brought to bear on his duties as Manager calculated to maintain the reputation of that office at a high level and made my association with it a source of pride and pleasure to me. I have regrettedthat he is the only official who has not had the good fortune of obtaining an increase to his pay. But he has richly deserved one for which he has more than once been recommended."

Therefore I beg to respectfully submit that for the heavy loss ~~and~~ in pay and status I have incurred by being kept in the same pay of Rs 200/- from October 1898 to June 1906 in spite of repeated recommendations on my behalf and even in spite of the approval of Sir K. Seshadri Iyer, it is very poor recompense to be given a personal allowance for only three years. If I had been confirmed in 1900 when Sir K. Seshadri Iyer recorded his sanction , I should now be, in the usual course, in the Rs 400 grade, leaving asidethe loss I have sustained in drawing a lower pay in the interim.

5. You, Sir, are aware how unsparingly I have worked during these three years under you and how I have devoted my time and attention to any extra work given to me and how owing to the Exhibition of 1907 and 1908 and the distress of the present year, work has been continuously heavy in this office. I am now nearly 47 years of age and in the next 8 years I could barely expect to come up even to the first grade. Unfortunately having lost in the past a great deal in pay and in status in spite of continuous approved service, I request you to kindly recommend me to the Government of His Highness the Maharaja which is generally very generous towards its servants to continue the personal allowance till I reach the first grade.

I have the honor to be, Sir,
Your most obedient servant,

K Subbarao
